NATIONAL INSTITUTE OF CHEMISTRY

REMAG

Certificate of participation

This certificate is given to:

Aszad Hossain Akib

For the online participation in the ReMag Summer School: **"Recycling of Permanent Magnets and Critical Raw Materials"**, held on 6th May 2026 at the National Institute of Chemistry in Slovenia (in-person and online) from 09:00 to 17:00 CEST.

The event was organised by the Department of Catalysis and Chemical Reaction Engineering at the National Institute of Chemistry within the framework of the ReMag project (No. 24620), supported by EIT RawMaterials and co-funded by the European Union.

Ljubljana, 6th May 2026

Dr. Nina Lokar, ReMag summer school organiser
